

General Customer Support

I am not too tech savvy when it comes to ordering things online. Is it acceptable to just call and place an order?

Of course. If you don't intend to place an order via our website or by emailing us to support@nadscientific.com; you can always call us toll free at 1-800-799-6232 or 518-297-3208. Our customer support will be more than glad to take your order on the phone.
